DRAFT-DELIBERATIVE* ATTORNEY-CLIENT PRIVILEGE

As follow-up to our discussion on November 6, attached please find the "messaging for meeting with Washington Department of Ecology" revised to reflect discussion we had on that day. We understand these would be EPA messaging points or talking points, but not for distribution to Ecology.

Below is more context for the messaging paper attached:

- Item IV A ends with an optional sentence to add some detail if we wish. We reflect that

Ex. 5 - Deliberative

- **Ex. 5 - Deliberative**
- For item V: Interested in the Region's thoughts on when and how best to broach these topics with the state.

Ex. 5 - Deliberative

- Also, let's discuss (e.g., Nov. 20) whether the next steps are for our own use or part of

the initial messaging for the state.

If you would like to discuss any of the above or the attached, feel free to contact me.

Best,

Nov. 6 email to Helen:

DRAFT-DELIBERATIVE

Helen,

Thanks for setting up today's call so well.

It was brought to my attention to clarify that as the Region reviews the 9-page analysis discussed today, the Region could identify areas where results from "Helen's analysis" would be inserted, and the Region could provide such text suggestions (consistent with item #3 in the overview, "Folding in Helen's...", page 1) .
